Hector Carmichael U Maker of Songs The songs I make is making fun of people, you know. Just to make people laugh. I don't write it down, no. I make them. I can't write Gaelic, you know. I can read pretty well all the Gaelic but I can't write it. I remember them when I compose them. The first song I composed, a fellow up here had an old horse, you know. Used to drive the children to school with the horse and sleigh in the winter. And the poor horse used to fall down. The horse was so old and not fed too good. Wasn't get? ting very much oats. Probably after a while he'd get the horse up. The poor old horse was pretty dead, you know. And the song ivas made that the horse was a wonder? ful horse. The poor horse he was supposed to be one of the best, vou know. But I don't think the song is in honor of the horse or in honor of the driver.
