Is it gener? ally the case that at the end of the month no cash is coming to you? A. On many occasions. Q. Do you get all your family supplies at the store? A. Most of them. Q. Are the boys who work in the mine generally a- ble to read and write? A. I cannot say that they all are. Q. What is the age of the youngest boy working in the mine? A. I don't know that there is any younger than 12. Q. Do you think the boys are well treated? A. Yes; so far as I know. Q. You have not seen any of them beaten? A. No; nor heard of them being beaten. Duncan McIntyre, Caledonia Mine, sworn: Q. About how many men are employed there (the Cal? edonia Mine) altogether? A. In surraner I think there are as high as 80 pairs--that would be 160 miners. Q. How many boys and laborers do they em? ploy? A. Perhaps about 20 boys. Q. And laborers, how many of them do they employ? A. ...I would say 30 at some times and 20 at other times. Perhaps they would have an average of 25. Q. How many hours a day do you work? A. It is very hard-to say; the men are their own masters, and they come up when they like. They are generally on the bank ready with their tools at 6 o'clock in the morning, but it may be 7 when they go down. Q. About what time do you come up? A. From half-past 2 until half-past 5 or 6. Q. Will the average be as late as 4 o'clock? A. It will average as late as a quarter past 4. .
