Own a Part of Your History: Two Proud Cape Breton VIDEOS by the National Videos You'll Watch and Share Again and MAKING STEEL IN TIMES OF CHANGE, it's our business to remember • and Making Steel helps us remember the skill and pride of Cape Breton Steel. This 60-minute VIDEO shares the Technology and the History and the Culture of Work of those who did the work. Extraordinary, never-to-be-seen-again shots of the blast furnace, cutting steel, the coke ovens • process after process. This is a well-made keeper, educational for sure • and good, impressive entertainment. Technology captures the enormous complexity and awesome beauty of the steel plant prior to 1989. History tells of a century of steel-making in Cape Breton. In the Culture of Work section, steelworkers talk about friendship, dangers, pride and frustrations at political and business decisions.
