Canada Monday Nov 9 a lovely bright sunney day George and Lewis killed their Pigs... Flora washed Sarah and the girls helped her I sewed the knitted shirt together and Sarah and Bella cleaned the fat of the interils it was pretty late when they was done, for there was three men and a woman that they had to get dinner fiDr besides all the family and uncle George Tuesday Nov '10 a dark foggy day while frost last night but not cold today George and Lewis gone to Port Hood with their Pork and Butter. C P and the children pulling Turnips Sarah trying out the larde and other work and churning

Flora clean? ing up the kitchen. I put away the seede peas and Beans after dinner Aunt Ellen and the children all came up and helped to finish the Turnips it was near midnight when Lewis got home Saturday Nov '14 a little colder then it has been for the last few days the mud drying up some, the stranger better but did not get up till after the family had breckfast he went away after he got his breckfast. Lewis got done thrashing at Har? riets after dinner and he is going to the Bridge ' to bring an Orgen up to ?ur house to give it house- room for the winter as the man cant sell it Sunday Nov 15 a cold morning with a little sprinckle of snow wich fell after sunrise, the sun rose clear but right away there was a snow squall Lewis got home a little after we had tea last night and brought the Orgen and Mr Morse came back with him and they set the Orgen up and we had grand music till late bedtime, and as there was no meeting in Church today we had music all day.
