Just your regular brook--that was jfl the road. And we ?M had to get out-- 'm the boys had to jM get out and cut II | the limbs--you r'fl know, big one Wj-' there--so that we K j could get the car |J over it. And then H| when they got that |H down in the river V'M --well, we never R' got out to wade %'j the rivers that P|" were on the road. ' 7' But lots of times one of them would push it--THUMP-- like that, when we started, and the other one was driving. IP* ?? m% mh ;; %
