Clearing another 30 feet and another 30 feet. It took us quite a few years to clear it out open, you know, to have a nice field. Anyway, once we got all the gardening in, the potatoes and everything--we were liv? ing two miles from there. I'm talking about Cap LeMoine, and our home is in St. Joseph du Moine. Not being able to super? vise the area, the neighbours said, "Joe, we hate to see you doing this, because we tried it. And the foxes, the deers, the seagulls, and the crows--you name it--they ate up everything on us." And then one fellow says, "I don't know--maybe if you put up a scarecrow." So that gave me an idea. So we came home. And with the boys, we made three of them--three scarecrows. And in the olden days the farm? ers --they'd put up a scarecrow. All they'd do is drive a post about 4 feet high that it would remain, and then they'd nail a board across. Throw an old jacket around the board. And then the arms--the sleeves, you know--they would flap in the wind.... CO-OP Building Supplies 870 King's Road, Sydney f'x 539-6410 WE ARE MORE THAN JUST LUMBER!!! ?? PRESSURE TREATED LUMBER ??
