Ducharme A beautifully written collaboration that will keep alive forever the life and stories of Archie Neil Chishohn. Saddled with polio, pride, and a lack of discipline • Archie Neil lived out the contradictory life of a terrific teacher floundering in alcoholism. His growth, plunge, and rise as an extraordinarily valuable person in the Cape Breton community is good, lasting reading. From outrageous good humour to excellent storytelling, this book is a remarkable achievement for writer Mary Anne Ducharme, as the life itself, at once graceful and generous, is a remarkable achievement for Archie Neil. "A triumph of a life!" Biography • Oral History • Anthology 40 photos • 248 pages • \$14.95 Now in its 21st Year, Cape Breton's Magazine is the Local Magazine for the Whole Wide World
