TAKE CONTROL The more you know about boating, the more satisfaction you'll get from it. The Canadian Coast Guard publishes regional directories of courses in boating safety and skills development. From navigational techniques to boat handling, there's a course for boaters of all levels and all ages. Call for your directory today. 1-800-267-6687 Take a course, then have an exciting and safe season on the water! 1'1 Canadian Garde cotiere Coast Guard canadienne Canada
