lawyer said, "I understand that you've settled with Dr. Morgan." "Oh yes, we've settled with him." "I don't suppose you would let me know what your settlement was with Dr. Morgan?" Oh--just getting tense. So the Deputy Attorney General (T. D. Mac? Donald) was there. I wasn't in, I just got the story second hand. And MacQuarrie with a straight face said, "Tom, I think it should be all right to let (them) see the letter where Dr. Morgan agreed to settle." So, they sent down to my office and I dug out the Morgan file where we had a letter from Morgan accepting \$450 and the receipt for the cheque. So, MacQuarrie, with a straight face, handed this over to the New York law? yer. He jumped up, he says, "For God's sake, why didn't they give you the land?!" He turned his heel and he stamped out! So Mrs. Corson settled for \$60,000 I think it was Harry McCurdy from Sydney Welcome to Baddeck! SEAFLOWER at GALLERY fr* ART & CARVINGS ?? CHEBUCTO ST • BADDECK owned the Sand Beach, I forget. He filed a big claim. He had a Presbyterian minister who was a native Cape Bretoner but he was out of California. He visited the place and McCurdy got him to write a long letter describing the beauties: the moonbeams on the water of Freshwater Lake, and the sun shining over the hills, and all the beauty of it and so on. And if that beach was out in California it would be \$125,000. I don't think the judge said it would cost something to move it out--I think I was the one that made that remark. But the judge did mention that the moon and the sun shone everywhere, not only Freshwater Lake. I think (McCurdy) got about \$1,200 for it. Then, of course, Bridget Curtis who was married to Milt Peters from Lunenburg. She objected to what I offered her. She said that she remembered lots of elections when they spent far more on rum than we were offering her for her property. I kind of enjoyed that remark.
