you know, and I don't want to force.... And then, I have an intraocular lens in that eye, so I'm taking it easy. Because I intend to live to be as old as my great-grandmother- -103 ! Ida laughs. That's asking quite a lot, isn't it! I should thank the dear Lord for allowing me to live this long. I'm not grasping things like that. I'm happy with my daughter. The only child, in fact, I had. My first baby died at birth. She's the only one. They're very kind to me. My great-grandmother was 103. And my grandfather was 98. My grandmother was 80 when she passed away. (Did you know your great-grandmother?) Oh, yes, I used to take her for walks by the hand. She lived on what they call The Island. It isn't ex? actly an island. Now it has grown up into trees. But it was a beautiful spot. And they called it The Island. And my great- great- grandmother owned all that. You see. she came over here- she was born in L'Ardoise, and she was a Martell.... 4 We swear to tell the truth, the whole truth, and nothing but the truth. Our Service Bay Diagnostic System always tells the taith. SBDS hooks right up to your vehicle so that you and your mechanic both know exactly what's wrong. Quickly and accurately. SBDS also provides a detailed print-out of the problem. So all you find on your bill is the truth. SERU'icE Ba
