Published by Ronald Caplan on 1999/6/1

MostWuable Resource. It's called the Nova Scotian workforce. It's largely responsible for delivering on the promise to bring gas ashore by November 1999. The Sable partners are proud to recognize the invaluable contribution of Nova Scotians in their tireless efforts to work safely and keep the project on schedule. [www.soep.com](http://www.soep.com) 29
