

[Page 4 - Trap Fishing with Mike MacDougall](#)

ISSUE : [Issue 17](#)

Published by Ronald Caplan on 1977/8/1

The power boat lets go the others, which drift over the trap. Men on the door boat gaff the strongback rope • then haul up the door-bar, closing the trap. The men haul twine into cut boat; Mike looks for fish and signals collecting boat Phone (902) 794-7251 Cabel.
