CORRECTIONS; Our thanks to George Bartlett of Baddeck for pointing out errors in the article, "'Permanencia,' North Sydney's Concrete Boat." in Issue .18. On page 27?? it should read Hector MacNeil, not MacLeod, for the man responsible for the concrete. And on page 26, the name should be W.L.Chirgwin. not Chyrgwin. A number of readers noticed that pages 40 and 45 should be exchanged, and on page 35 the names under Pat? rick Robinson and Maurice Donovan's photo should be exchanged. Finally. George Thomas should be credited with the graveyard photo on page 32 and the lovely back cover photograph of Johnny Murphy and his grandson. We would appreciate hearing from readers about other corrections or additions to stories in any issue of CAIPE BRETON'S MAGAZINE. Edited & Published by Ronald Caplan with the help of Bonnie Thompson
